

RPS LONDON REGION

UPDATE RE MAGNIFICENT 7 + 1 - CEMETERIES PROJECT

February 5th 2023.

NEWS UPDATE

While we may run a number of Exhibitions at the Cemeteries and locally, I am pleased to confirm that the [Espacio Gallery](#) has been booked for 25th September to 1st October for a London Region “Projects” Exhibition, to include panels and individual images from both this project and the London Independent Traders Project. Save the Dates!

“CLARIFICATION”

Last month we asked you for max. 100 words to describe your images. This does not need to be anything sophisticated or complicated; it can be as simple as “I photographed things that caught my eye – with no particular subject or theme.”

UPDATED STATISTICS

Here are the updated statistics. Thank you to all those who uploaded images to date – please keep them coming! A full analysis is attached at the end.
