RPS LONDON REGION NOVEMBER 2020

ANNUAL LONDON REGION MEMBERS' EXHIBITION 2020/21

SIGN UP NOW to submit images into our Annual London Region Members' Exhibition. Selection is going ahead on the originally planned date but the process has been adapted for **ONLINE VIA ZOOM**. As you will all know, many photographic groups have created some stunning online exhibitions so, in addition to our normal print exhibition, we may take that route too. Link for more details and to sign up: [here](#).

OTHER EXHIBITIONS

The Putney Library Exhibition take down is on Wednesday 4 November. *Last Chance to See* is on Monday 2 November between 10:00 and 14-30. (The Library is closed on Tuesdays).

Outdoor Exhibition on the Thames. We were making arrangements to take down this Exhibition but were met with requests from the other interested parties (St Mary's Church, Positively Putney and Firstport) to leave it in situ and perhaps replace it with a new one. One suggestion is a "Putney then and now" Exhibition using photographs from the St Mary's Church archives as the basis? Interested?

Link to Exhibitions web page: [here](#).

PHOTOWALKS & OTHER ACTIVITIES

In October we enjoyed three excellent volunteer-led photowalks. After today's Government announcement, PHOTOWALKS are suspended until further notice but we hope to bring another VIRTUAL PHOTOWALK to you before the end of the year. Keep your eyes open for updates from us - by e-mail and on the website and at the regular meetings..

Meanwhile we are still able to offer our four regular monthly meetings detailed below via Zoom, plus the Distinctions Study Group, a Distinctions Advisory Day (LRPS) and the Members' Exhibition above - so please join in and stay in touch.

What's on in London Region in November?

Monday 9 November

N London Regular Meeting ONLINE. "Mama Negra - the biggest festival in Ecuador" by Gordana Johnson + picture sharing. More details and to sign up, [click here](#).

The No-longer-quite-so-new RPS Website

Here are some short-cuts to London Region's pages on the RPS website, which may help:

- London Events: [link](#)
- London Region 'About' page: [link](#)

For Special Interest Groups (Groups), International and other Regions (called UK RPS), go to [this page](#) and scroll down until you come to them.

Notes

All of the Region's events are open to all: RPS Members and Non-Members from London Region and elsewhere are welcome. There are of course benefits of becoming a member: details [here](#). Regular Meetings and Events are generally free or at minimal cost and most of them are volunteer led. There are charges for Distinctions Advisory Days and for special events, where we have to recover costs such as speaker fees and room hire: we try to keep these charges to a minimum.

In addition to the events listed above, the Special Interest Groups (SIGs) are active in the area and sometimes hold events in London.

If you have any questions at all at any time, please ask! Each event has a link on the web page to the organiser of that event, so that you can contact them directly.

For general enquiries, e-mail londonro2@rps.org

For Distinctions advice or enquiries in general there is information on the [website](#): if you have further questions about Distinctions, you can contact either Bath HQ on distinctions@rps.org or for London specific questions contact Brian on LondonDist1@rps.org or Mike on LondonDist2@rps.org

By clicking "Unsubscribe" you will be removed from the London list, but not from other RPS mailings.
