Following on from our Woodlands T-W-T our next topic is Parks and Gardens.

Here in the SW we are currently planning 4 or 5 walks across our two counties.

Walk locations will be available to view from 24 February.

Places being considered are
St Mawgans' Japanese Gardens, Heligan,
Trewithan Gardens, Municipal Gardens Torquay
and perhaps one other in Devon.

There will be a further announcement when bookings open. As normal for the SW Region we will hold one final discussion TALK session so that we can all come together to enjoy seeing each others work.
